### **Morningside B Neighborhood Roadway Improvements**

Dear Resident:

Some questions have been raised about the temporary removal of the sidewalk at 4200 Alden Drive, near the intersection of Alden Drive and West 42<sup>nd</sup> Street. CenterPoint Energy removed portions of this sidewalk to upgrade their new gas main. Crews will soon be working on installing gas services near this location up to area homes.

The house being constructed at 4200 Alden Drive is planned to be on the Parade of Homes. Because of this, the contractor has to meet several City and Parade of Homes requirements.

The contractor working on the house constructed an out walk to the back of the existing curb off Alden Drive, and temporarily sodded the area of the old sidewalk so it will be ready for the Parade of Homes.

The sidewalk will be fully restored as it was with an upgraded pedestrian crossing across W. 42<sup>nd</sup> Street with your neighborhood roadway reconstruction project.

If you have any questions feel free to contact me at 952-826-0444 or email at [akuznia@edinamn.gov](mailto:akuznia@edinamn.gov)

Regards,

Aaron Kuznia  
Senior Engineering Technician
